The page features a navigation menu on the left with categories like 'PC/Server/Workstation', 'Thin Clients', and 'Servers'. The main content area is divided into several sections: 'Product List' showing a table of products with columns for Brand, Name, CHF, and Availability; 'Product Details' for a selected Compaq Evo D310 DT P4 2.4GHz 128MB XP-P; and a 'Shopping Cart' at the bottom left. The interface is powered by canoo.com.
